C. National Trust for the Welfare of Persons with Autism, Cerebral palsy, mental Retardation and Multiple Disabilities

- (i) The post of Chairperson, National Trust has fallen vacant on 24.10.2014 on completion of the tenure of the last incumbent Ms. Poonam Natarajan. With a view to appoint a regular incumbent to the post of Chairperson, Board of National Trust, the post was advertised six times since 10.08.2012. In response to the first advertisement dated 10.08.2012, no candidate was found to fulfil eligibility criteria for the post. In response to the second advertisement dated 20.09.2013, only two candidates were found to meet the eligibility criteria for the post. Therefore, the Search-cum-Selection Committee recommended for re-advertising the post. Against the third advertisement dated 18.03.2015, five candidates were found to meet the eligibility criteria. However, no candidate was found suitable for the post of Chairperson, Board of the National Trust. Thereafter, the fourth advertisement was issued on 03.07.2016, wherein only three candidates were found eligible by the Screening Committee which included two applicants who had applied against the third advertisement but not found suitable. Considering the fewer number of eligible applicants for the post in response to advertisements issued earlier, the eligibility criteria was relaxed and the National Trust Rules were also revised accordingly which were notified in April, 2018. Against the fifth advertisement, three candidates were found eligible . The proposal for seeking approval of ACC was forwarded to DoP&T on 19.03.2020 for its

consideration. However, DoP&T vide their O.M. dated 25.08.2020 requested for reconsideration of the ACC proposal regarding filling up the post of Chairperson, National Trust and initiating the selection process of Chairperson, National Trust, afresh. Accordingly, with the approval of Hon'ble Minister (SJ&E), the process for filling up the post Chairperson, National Trust was started for the sixth time. A circular was advertised in the leading English and Hindi newspapers including Employment News for calling the applications from the eligible candidates for the post of Chairperson, National Trust; 04 candidates were found suitable for appointment to the post of Chairperson, National Trust. Thereafter, with the approval of Hon'ble Minister, again an advertisement was published in Employment News for calling the applications from the eligible candidates for the post of Chairperson, National Trust. The closing date for the receipt of applications was 14.04.2021.

- (ii) In the meantime, as part of rationalizing the autonomous bodies of the answering respondent, Department of Expenditure suggested that National Trust may be wound up as a separate organization and its activities may be taken over by the Department. The answering respondent has sent a communication to Department of Expenditure on 08.06.2021 and a reminder on 16.9.2021 stating that National Trust carries out the crucial statutory functions in respect of four specified disabilities; hence the organisation

may be allowed to be continued in its present form. The matter is under consideration for a decision. In view of the facts stated herein above, the proposal to fill up the vacancy of Chairperson, National Trust could not be taken up, despite of efforts undertaken by the answering respondent.

26.04.2022

The petitioner has preferred this petition, inter alia, to seek a direction to the Union of India to appoint a full time, regular Chairperson and CEO to the Board of the National Trust in accordance with the provisions of the National Trust Act.

The submission of learned counsel for the petitioner is that the post of Chairperson of the National Trust has been lying vacant since 2014. Learned counsel for the respondent states that the additional charge of the Chairperson has been given to the Secretary, Department of Empowerment of Persons with Disability. So far as the post of CEO is concerned, counsel for the respondent informs that the CEO has vacated the office in February,

2022, whereafter the additional charge has been given to the Deputy Director (Joint Secretary Rank), Department of Empowerment of Persons with Disability.

In our view, the vesting of additional charge both as the Chairperson and CEO to the Board of National Trust would, certainly, impact the working of the Institution and, therefore, it is imperative that the National Trust has its full-time Chairperson and CEO in office. The Union of India should take steps for appointment to these posts without any delay.

We direct the respondents to file a status report disclosing the constitution of the local level committees in all the districts of India. It should also be indicated whether the guardians appointed under the Act have been filing their quarterly reports. The said information be filed in a tabulated form for each of the districts with the next status report.

List on 30.08.2022.
